● B.A.E Purple

● OMG Black

Image simulated. Color subject to availability. ^5G network availability and actual speed may vary depending on country, network provider and user environment. Compatibility dependent upon 5G network availability. #Rated minimum capacity is 5830mAh. The battery samples are tested under IEC 62133-2:2017 standard. Actual Battery life may vary depending on network environment, usage patterns and other factors. Individual results may vary. ~Measured diagonally, the screen size is 16.72cm in the full rectangle and 16.30cm accounting for the rounded corners. Actual viewable area is less due to rounded corners and the camera cut-out. ~Some certain applications or game interface may support less than 90Hz due to reasons like compatibility.
