Image simulated for representational purposes only. *Measured diagonally, Galaxy Z Flip5 main screen size is 17.03cm in the full rectangle and 16.64cm accounting for the rounded corners, actual viewable area is less due to rounded corners and camera hole. **Measured diagonally, Galaxy Z Flip's Flex Window size is 8.61cm in full rectangular form but the actual viewable area is approximately 95% of the full rectangle area due to the rounded corner and lower cutout. ^Actual internal storage may vary. #Typical value tested under third-party laboratory condition. Typical value is the estimated average value considering the deviation in battery capacity among the battery samples tested under IEC 61960 standard. Rated minimum capacity is 3591mAh for Galaxy Z Flip5. Actual battery life may vary depending on network environment, usage patterns and other factors. Individual results may vary. ##Snapdragon is a trademark/registered trademark of Qualcomm Technologies, Inc. and/or its subsidiaries. Colors as per availability.

The most pocketable self-expression tool

1 Flaunt your flip side

Your phone defines who you are. It's an extension of your persona. Whether it's capturing selfies from edgy angles or choosing a zesty wallpaper for your cover screen, express yourself in the most unique way on the flip side.

2 One size fits all pockets

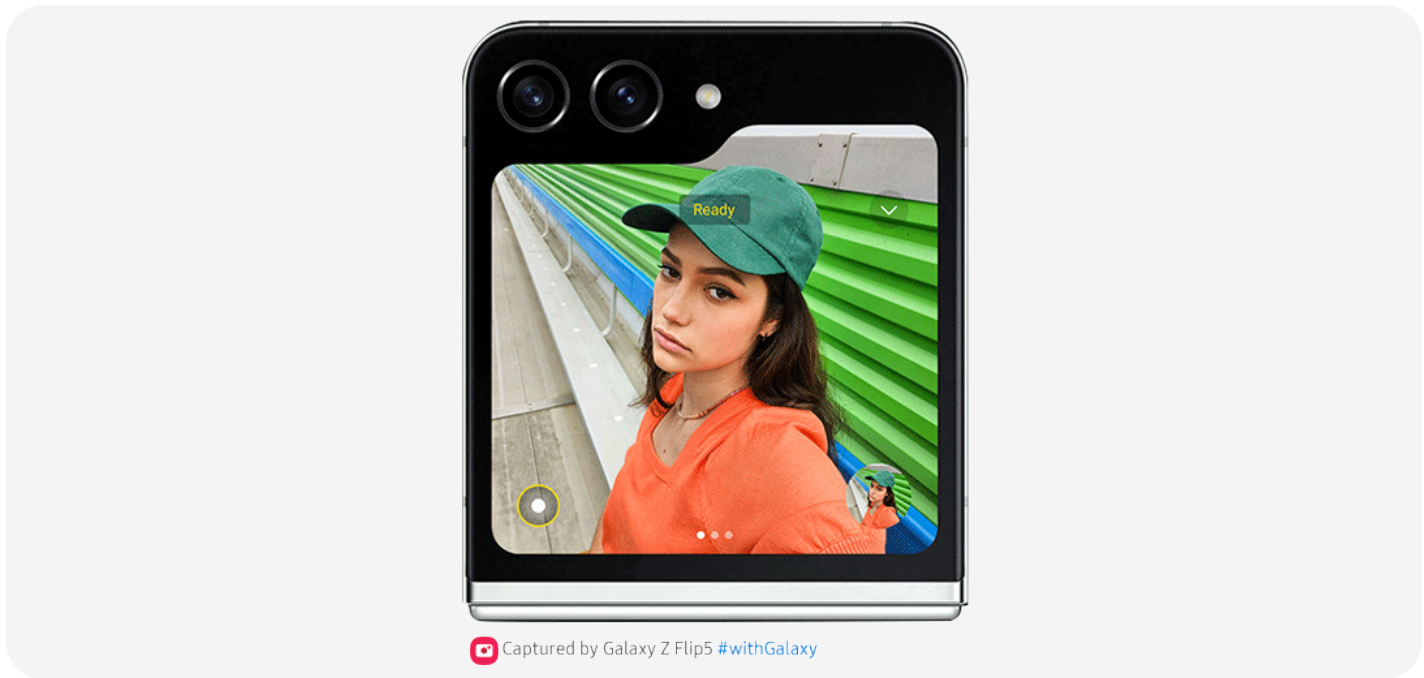

Our most compact^ Galaxy Z Flip yet folds down tight to slide as easily into your pocket as it does into your hands.

3 Yours naturally

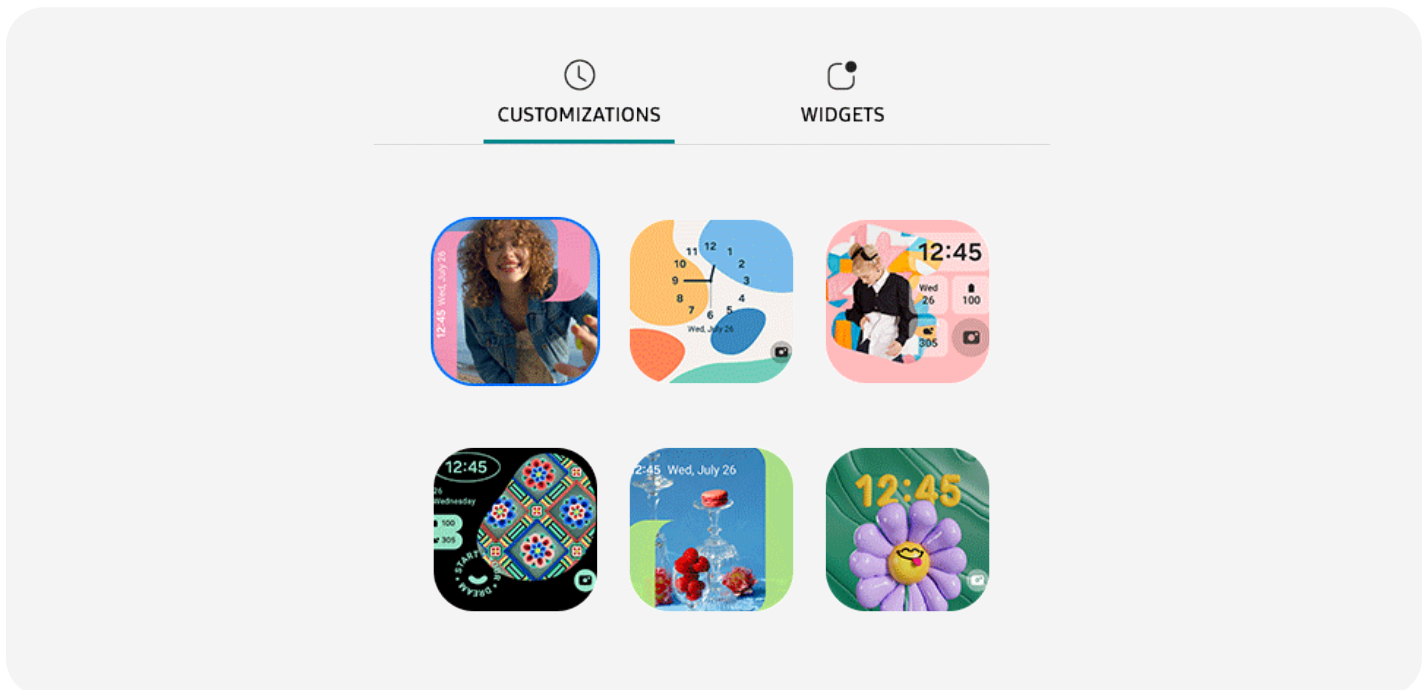

Find your vibe with Galaxy Z Flip5, which now comes in futuristic color* scheme inspired by the natural world.

4 FlexCam Selfies. Even when closed

The new attractive 8.61cm cover screen*, the Flex Window on the Galaxy Z Flip5, is not only eye-catching and attractive but also enables you to unleash your creative powers.

5 Personalize your flip side

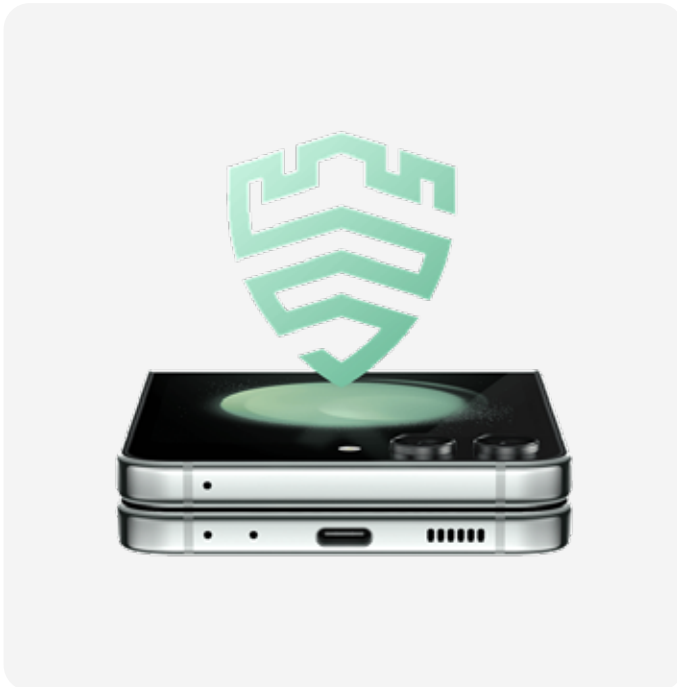

From video wallpapers to clock faces to having multiple widgets for your convenience, you can now customize to your heart's content. The Flex Window also lets you make calls, reply to messages or even play your fave songs in just a tap.

6 Hands-free selfies. Courtesy of FlexCam

With a larger cover screen[^] and ultra wide angles to play with, now your selfies can include all your buddies in one frame!

7 Keeps your data protected

The Galaxy Z Flip5 is a complete showstopper when clicking pics with your friends. With the Dual Preview, they see what you see, helping them to pose better.

8 Designed with the planet in mind

We're committed to creating a cleaner future by taking recycled* measures. Making products that favor the environment.

Image simulated for representational purpose only. Actual UI may be different. Flex mode supported at angles between 75° and 115°. Color as per availability. [^]Compared to previous Galaxy Z Flip models. *The back glass deco film of the Z Flip5 contains 80% recycled PET. The sub window and back glass of the Z Flip5 contains 22% recycled glass. The display connector cap of the Z Flip5 contains 20% recycled ocean-bound plastic. The above measurements are based on weight.

9 Start your fitness journey
