

Galaxy Z Flip6

Camera	12MP (Ultra wide) + 50MP (Wide)
Display	Cover Screen 8.61cm Super AMOLED*, Unfolded 17.03cm Dynamic AMOLED 2X**
Memory	12GB RAM with up to 512GB storage^
Processor	Snapdragon 8 Gen 3 (4 nm)^^^
Battery	4000 mAh###

Blue

Mint

Silver Shadow

Image simulated and for representational purposes only. *Measured diagonally, the cover screen size is 8.61cm in a full rectangle. The actual viewable area is smaller due to the rounded corners and camera hole. **Measured diagonally, Galaxy Z Flip6 main screen size is 17.03cm in the full rectangle; actual viewable area is less due to the rounded corners. Color may vary subject to availability. ^Actual internal storage may vary. ^^Snapdragon is a trademark/ registered trademark of Qualcomm Technologies Inc. and/or its subsidiaries. ^^Typical value is the estimated average value tested under third-party laboratory condition. Actual battery life may vary depending on network environment, usage patterns and other factors. The battery samples tested under IEC 61960 standard. Rated (minimum) capacity is 3887mAh.

Galaxy AI is here

Your Galaxy Z Flip6, the **self-expression** tool, is more **compact**¹ and eye-catching, with **Galaxy AI** and a pro-level **50MP camera** that's photoshoot-ready.¹

Galaxy AI ✨ is here on Galaxy Foldables

1 50MP. New camera. Stunning portraits.

Night time portraits are lit

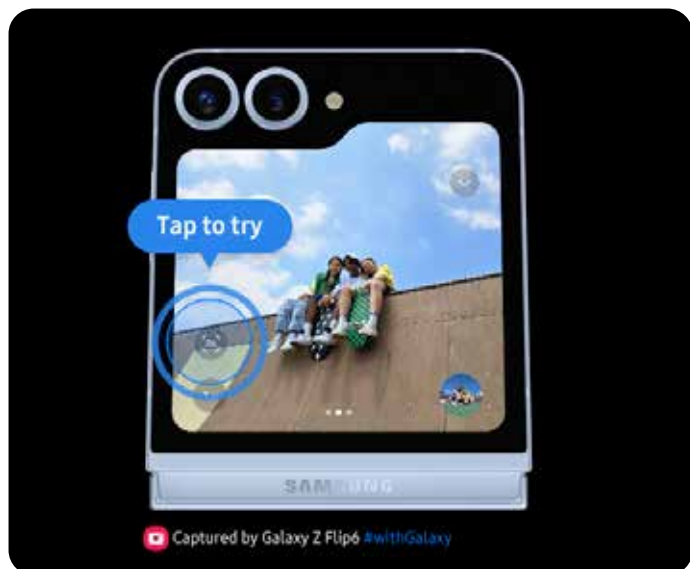

Capture **stunning shots** during the day **but also at night** — and even in dimly lit areas. Use **Nightography**² to ensure every photo shines with detail, thanks to **ProVisual Engine**.

The most powerful camera on a Galaxy Z Flip, now with AI

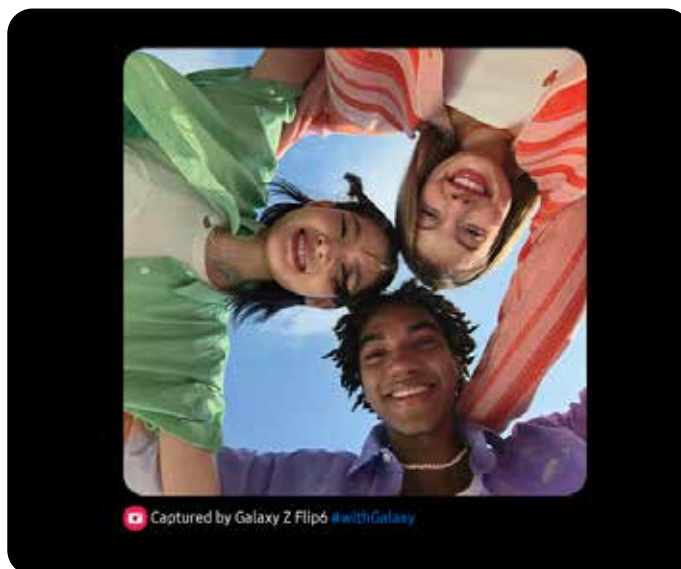

The upgraded **50MP wide rear camera**³ processes your pics through the **ProVisual Engine** to capture stunning scenes and richer portraits.^{4,5,6,7}

Image simulated and for representational purposes only. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ²Results may vary depending on light condition and/or shooting conditions including multiple subjects, being out of focus or moving subjects. ³50MP resolution is available on Galaxy Z Flip6's rear wide camera only. ⁴Compared to previous Galaxy Z Flip models. ⁵Optical quality zoom is enabled by the Adaptive Pixel sensor. ⁶2x zoom must be enabled in the Camera Assistant app settings. Camera Assistant can be downloaded from the Galaxy Store. ⁷AI Zoom is applied to distances between digital zoom lengths. Accuracy of results is not guaranteed.

Capture your best angle with FlexCam

FlexCam uses Auto Zoom to either zoom in or out on subjects, and provides a preview on the FlexWindow for a **hands-free selfie experience**.⁸

Rear cam portraits hit different

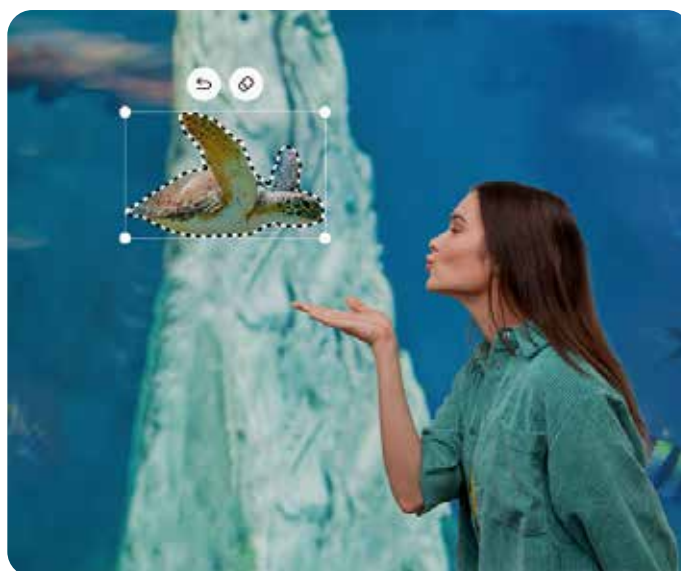

Use the **FlexWindow** to give your subjects a preview as you take their photo in **50 megapixels**. Then, snap a pic to capture **bright and detailed portraits even when backlit**.

2 Photo Assist

Portrait Studio

Elevate your images with Galaxy AI's Photo Assist. Create stunning portraits in various styles like Comic, 3D Cartoon, Watercolor, and Caricature, perfect for social media or profile pictures.

Generative Edit⁹

Tap into your creativity with Generative Edit for **Photo Assist** to move, resize or delete whole objects from your photos and fill in the background where they used to be.

Image simulated and for representational purposes only. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ⁸Auto Zoom is available in FlexMode using the rear camera and will disengage if the zoom is manually adjusted. Limited in low-light conditions. May not work if the device is moving or if the subject is too close. ⁹Generative Edit feature for Photo Assist requires a network connection and Samsung Account login. Editing with Generative Edit may result in a resized photo up to 12MP. A visible watermark is overlaid on the image output upon saving in order to indicate that the image is generated by AI. The accuracy and reliability of the generated output is not guaranteed.

Instant Slow-mo¹⁰

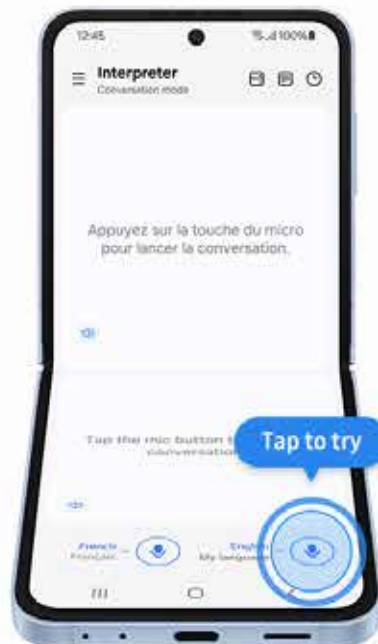

Put focus on key moments by applying **slow motion** to your videos and share or save it.

Live Effect¹¹

Add **depth** to give your pics all-new life.

3 Interpreter¹²

Your superior interpreter experience with FlexWindow¹³

Lost in translation? Galaxy Z Flip6 is your passport to communication — working as **your personal interpreter**.

Image simulated and for representational purposes only. Actual UI/UX may vary. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ¹⁰Instant Slow-mo feature for Photo Assist is available on Samsung Video Player and Samsung Gallery. May not be available on certain video file types. Accuracy of results not guaranteed. ¹¹Live Effect feature for Photo Assist supports JPG, HEIC (HEIF), BMP, PNG and WebP files. May not be available on certain photos. The accuracy and reliability of the generated output is not guaranteed. ¹²Interpreter feature requires Samsung Account login. Certain languages may require language pack download. Service availability may vary by language. Accuracy of results is not guaranteed. Availability and supported features may vary by country, region or carrier. Availability of supported languages may vary. ¹³Interpreter can be viewed from both the main screen and FlexWindow but this function must be manually enabled. Not available solely on the FlexWindow.

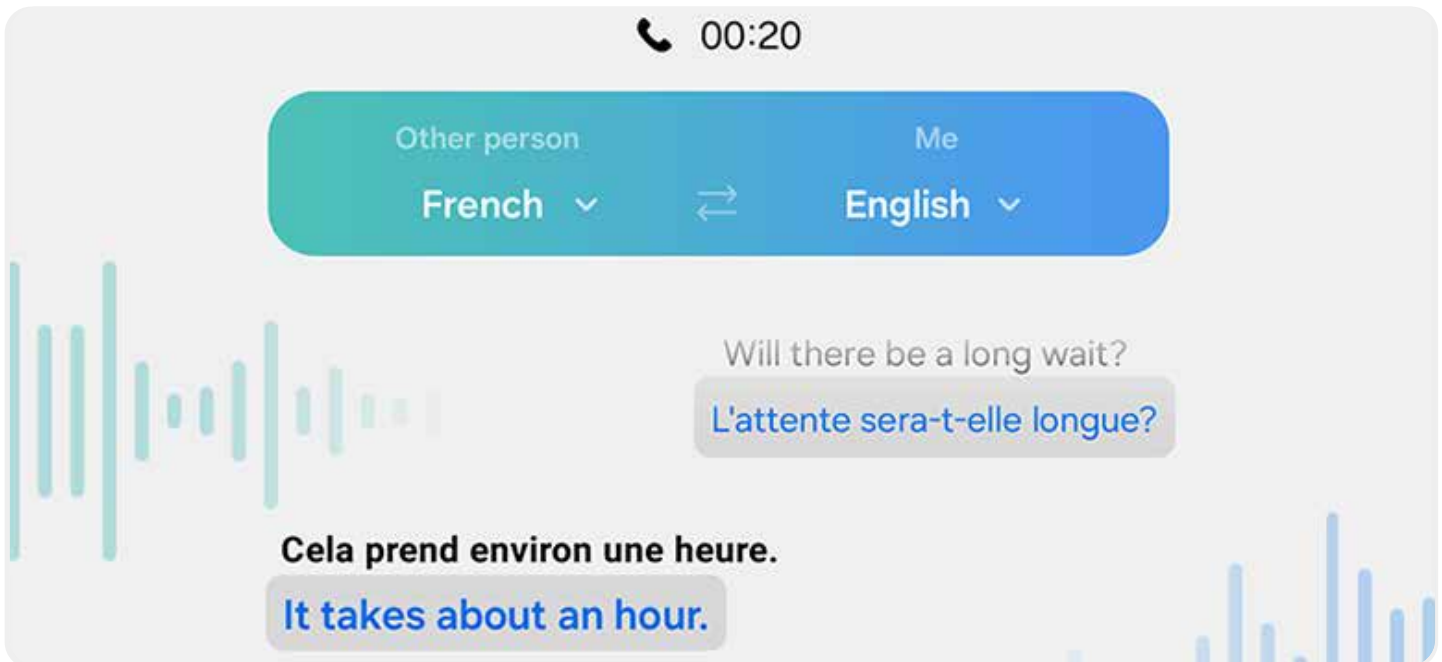

4 Chat Assist

Chat flows, even when closed

Send messages directly from the FlexWindow with Chat Assist. Just select from one of the Suggested Replies¹⁴ — curated by context-aware AI.

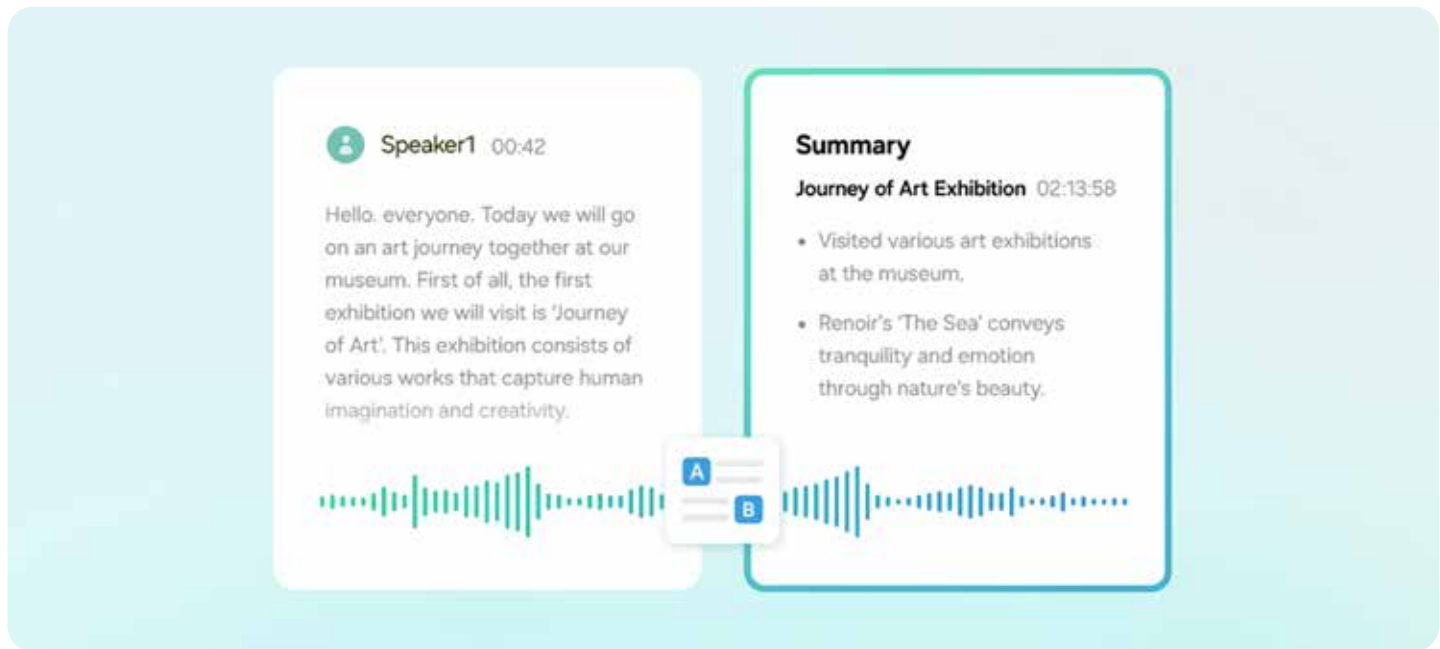

5 Call Assist¹⁵

Get **real-time voice translation** on various apps when you make a call.

Image simulated and for representational purposes only. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ¹⁴Suggested Replies feature requires network connection to receive messages. It can suggest replies without network connection once the messages are received by the device. Samsung Account login required. Suggested Replies feature is only supported from the FlexWindow. Service availability may vary by language, country and app. Accuracy of results is not guaranteed. Composer feature for Chat Assist requires a network connection and Samsung Account login. This feature is activated when a certain number of characters is met. Service availability may vary by language. Accuracy of results is not guaranteed. ¹⁵Call assist feature requires network connection to receive call messages. It can translate without network connection once the call messages are received by the device. Samsung Account login required. Call assist feature is only available on pre-installed Samsung Phone apps and some third-party apps. Service availability may vary by language or region. Certain languages may require language pack download. Accuracy of results is not guaranteed. Sequences shortened and simulated.

6 Transcript Assist¹⁶

Transcribe your recorded conversations into editable text in a flash.

7 Circle it. Find it.

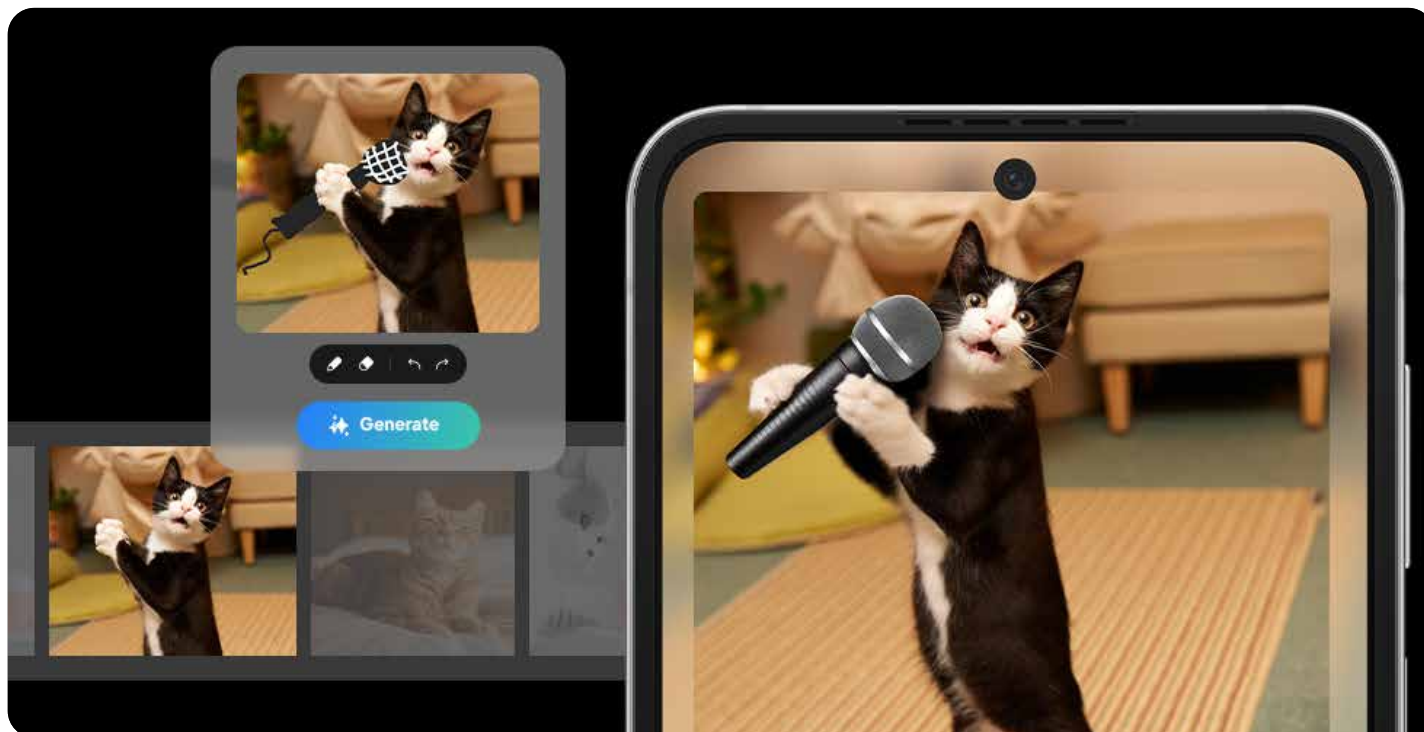

Circle to Search¹⁷

Simply circle an object or text to get Google Search results.

Image simulated and for representational purposes only. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ¹⁶Transcription and Summary features for Transcript Assist require a network connection and Samsung Account login. Features for Transcript Assist only available on the pre-installed Samsung Voice Recorder app or files recorded using the pre-installed Samsung Phone app, Samsung Notes app or Samsung Interpreter app. Voice recording feature in the pre-installed Samsung Phone app may not be supported in some countries. Audio files must be under 3 hours in duration to be processed. Summarizing feature for Transcript Assist can be activated when a certain number of characters is met. Service availability may vary by language. Accuracy of results is not guaranteed. ¹⁷Circle to Search results may vary depending on visual matches. Google is a trademark/registered trademark of Google LLC. Compatible devices and internet connection required. Works on compatible apps and surfaces. Results may vary depending on visual matches. Users may need to update Android to the latest version. Product functionality may be dependent on your app and device settings. Some functions may not be compatible with certain apps. Availability of the service varies by country and language. Accuracy of results is not guaranteed.

8 Drawing assist¹⁸

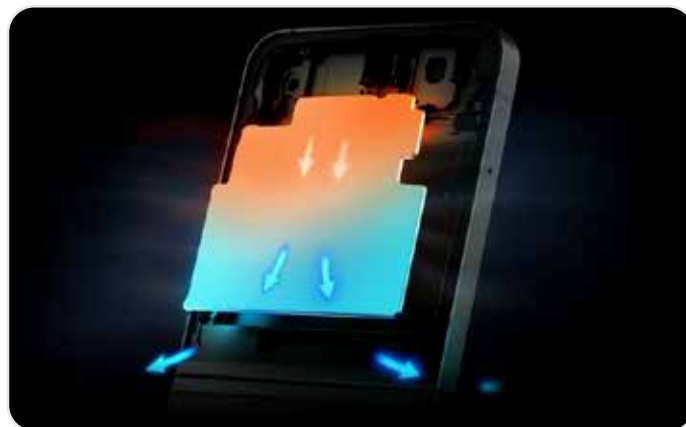

Draw from scratch or on any photo. Use AI to transform that **sketch** into an image.

9 Powerful Performance

Galaxy Z Flip6's longest lasting battery¹⁹

Meet our **biggest¹⁹ Flip battery²⁰ ever**. Paired with Snapdragon® 8 Gen 3²¹ for Galaxy, you can talk, text or game to your heart's content — all day long.

First ever Vapor Chamber on a Galaxy Z Flip6

Keep things cool, calm and running smoothly with a **Vapor Chamber that dissipates heat quickly**.

Image simulated and for representational purposes only. A Samsung account login may be required for certain AI features. Samsung promotes responsible use of Artificial Intelligence (AI) features. ¹⁸Drawing assist feature requires a network connection and Samsung account login. Editing with drawing assist may result in a resized photo up to 12MP. A visible watermark is overlaid on the image output upon saving in order to indicate that the image is generated by AI. The accuracy and reliability of the generated output is not guaranteed. ¹⁹Compared to its previous models. ²⁰Typical value is the estimated average value tested under third-party laboratory condition. Actual battery life may vary depending on network environment, usage patterns and other factors. The battery samples tested under IEC 61960 standard. Rated (minimum) capacity is 3887mAh. ²¹Snapdragon is a trademark/ registered trademark of Qualcomm Technologies Inc. and/or its subsidiaries. Limited to Samsung foldable smartphones - Galaxy Z Flip6 and Galaxy Z Fold6. ²²Armor Aluminum Frame does not include volume and side keys or SIM tray. Compared to previous models. ²³Corning® Gorilla® Glass Victus® 2 is applied to the front and rear of the device. Corning®, Gorilla® and Glass Victus® are trademarks/registered trademarks of Corning Incorporated.

10 Durable. Reliable. Built to last.

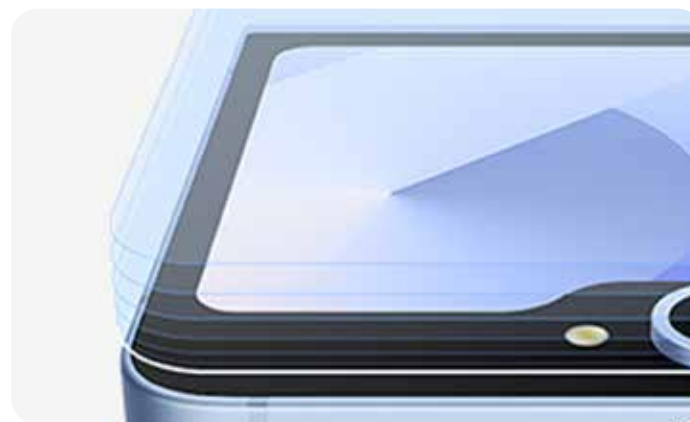

Reinforced Folding Edge
Fortified to withstand more pressure.

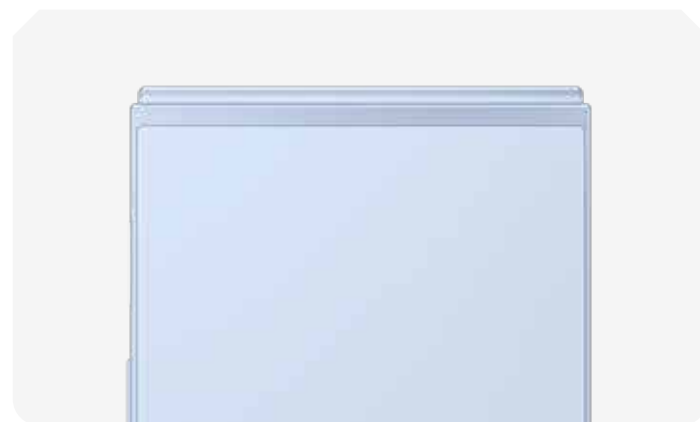

Engineered for endurance
Meet our slim and innovative **FlexHinge**.

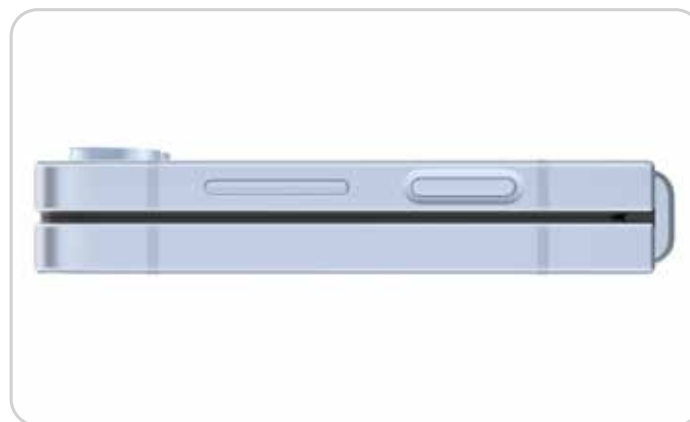

Shielded in aluminum
Enhanced **Armor Aluminum Frame**²⁴ keeps you protected.

Truly tough
Great protection with **Corning® Gorilla® Glass Victus**²⁵

Stay water-resistant
IP48 water-resistance²⁶ for those unexpected spills.

Most compact. Big impact.
Galaxy Z Flip6's **new design** is **modern**, slim and sleek, creating our most **compact**²⁷ smartphone yet.

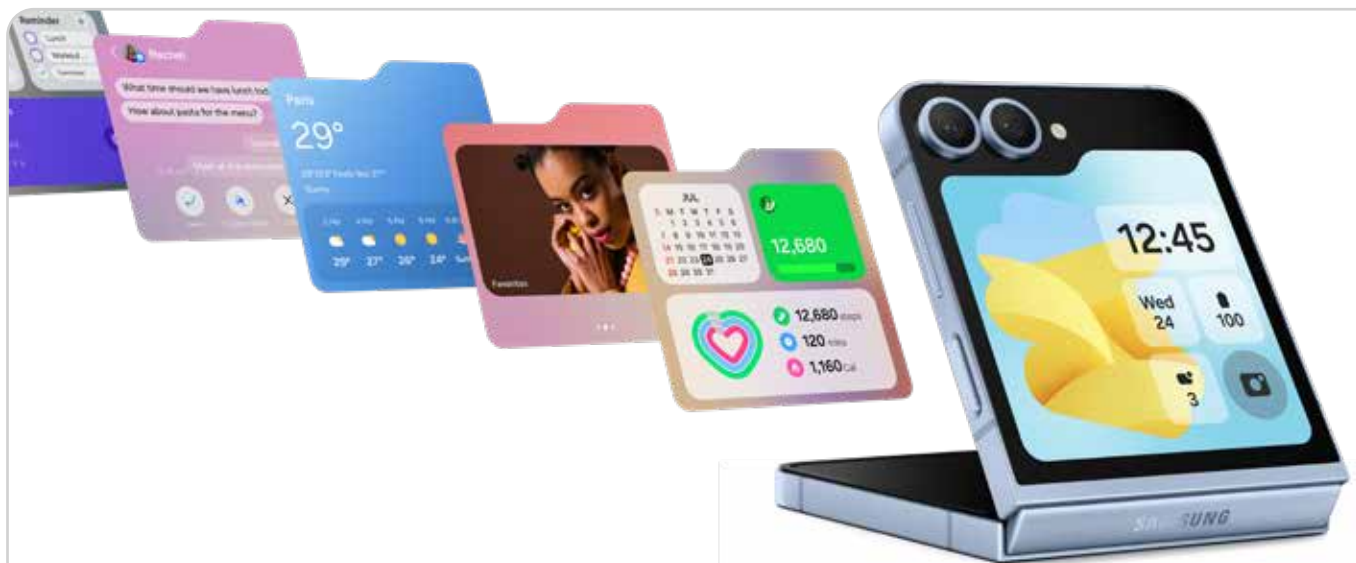

Image simulated and for representational purposes only. ²⁴Armor Aluminum Frame does not include volume and side keys or SIM tray. Compared to previous models. ²⁵Corning® Gorilla® Glass Victus® 2 is applied to the front and rear of the device. Corning®, Gorilla® and Glass Victus® are trademarks/registered trademarks of Corning Incorporated. ²⁶Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes. Not advised for beach or pool use. Water resistance of device is not permanent and may diminish over time because of normal wear and tear. Not dust- or sand-resistant. ²⁷Compared to previous Galaxy Z Flip models.

Colorful. Joyful. Wonderful.

Find your favorite color or choose from one of the **special edition colors**²⁸.

11 FlexWindow

Glance at all your info with more widgets on your FlexWindow

FlexWindow makes life easier by giving you access to all your information without unlocking the phone. Translations and chats are displayed on the FlexWindow, easing out the process of communication. Also, it provides access to multiple apps and widgets on a single page, making you the expert multitasker.

Aesthetic Screen

Elevate your screen with every aesthetic you crave

Aesthetic screens come with life-like wallpapers and effortless customization. These screens are interactive and respond to touch or movement. The generative AI wallpaper helps create unique images with keywords while providing diverse styles and preferred images.

Samsung Care+

Certified care by Samsung experts.²⁹

12 Future-Proof Your Galaxy Z Flip6

Keep your Galaxy Z Flip6 secure and up-to-date with 7 generations of OS upgrades³⁰ and 7 years of security updates. Enjoy the latest features and peace of mind, knowing your device will stay relevant for years to come.

Image simulated and for representational purposes only. ²⁹Samsung Care+ coverage, service type and promotion details may vary by country/region and deductible (service fee) may apply. To be eligible for Samsung Care+ promotion benefit, registration may be required. For detailed Samsung Care+ information, please visit <https://www.samsung.com/samsung-care-plus/>. ³⁰The OS upgrade and security update policies specified above are subject to change. Availability and timing of One UI upgrades and features may vary by device model and timing of Android OS upgrades.

13 Keep close, accurate tabs on your well-being with AI

The Galaxy Z Flip6 and Galaxy Watch Ultra or Galaxy Watch7 are designed to enhance your well-being. The Galaxy Flip6 offers a sleek, foldable design that combines cutting-edge technology with convenience, while the Galaxy Watch provides advanced health monitoring, fitness tracking, and seamless connectivity. Together, they empower you to live a healthier, more connected life.^{31,32}

14 Why switch to the Galaxy

Simple switching from iOS

Switching from iOS is so easy! Thanks to Smart Switch, you can transfer your photos, videos, contacts and apps effortlessly.^{33,34,35}

Seamless sharing

Send files, data and content between devices, **including iOS and PCs.** It's a quick and secure way to openly share.³⁶

Your privacy. Secured.

In **Privacy and Security**, quickly see which apps are accessing your information, then customize your settings. Plus, with Advanced Intelligence features, you can process data for AI services from your Galaxy device or on the cloud.

Image simulated and for representational purposes only. ³¹Energy Score is available on Android phones (Android 11 or above) and requires Samsung Health app (v6.27 or above). Samsung Account login required. Service availability may vary by country or region. To check the Energy Score, the health data tracked from Samsung Galaxy Watch or Samsung Galaxy Ring must be synchronized with the Samsung Health App. Needs at least the previous day's activity data and sleep, and heart rate data during sleep. Not intended for use in detection, diagnosis, treatment of any medical condition. The result is for your personal reference only. Please consult a medical professional for advice. ³²Galaxy Z Flip6, Galaxy Z Fold6, Watch Ultra and Galaxy Watch7 devices sold separately. ³³Wired transfers from Android™ devices require the receiving device to have Android™ 4.3 or later and the sending device to have Android 4.3™ or later. Transfers can be completed without a cable through a wireless connection. For wireless connections, the receiving device must have Android™ 4.0 or later and the sending device must have Android™ 4.0 or later. Open Smart Switch Mobile in "Settings" on the receiving Galaxy device or download the Smart Switch Mobile app from the Galaxy Store. Data, content and apps available for transfer may vary by transmission method. ³⁴Wired transfers from iOS require the receiving device to have Android™ 4.3 or later and the sending device to have iOS 5 or later. Transfers can be completed without a cable through a wireless connection or iCloud. For wireless connections, the receiving device must have Android™ 4.0 or later and the sending device must have iOS 12 or later. iCloud transfers require the receiving device to have Android™ 4.0 or later and the sending device to have iOS 5 or later. Open Smart Switch Mobile in "Settings" on the receiving Galaxy device or download the Smart Switch Mobile app from the Galaxy Store. For wireless transfers, download Smart Switch for iOS from the App Store on your iPhone or iPad. Data, content and apps available for transfer may vary by transmission method. Contacts, gallery, videos, calendars and reminders can be transferred wirelessly from an iOS device. ³⁵It is recommended to use a wired connection when transferring diverse sets of data at once. ³⁶Quick Share feature between Galaxy devices available with the following OS: smartphones and tablets with Android OS version 10.0 (Q) and One UI 2.1 or above, PCs running Windows 10 or later. Requires Samsung account and Wi-Fi and Bluetooth connection. Quick Share to iOS and Android devices available by sending shared link: individual files shared cannot exceed 5GB (for a total of 5GB per day) and link will expire after two days; requires a Samsung account and internet connection.
