● Silver

● Graphite

Screen image simulated for illustrative purpose. **S Pen sold separately. Colours as per the availability. Intel Evo Platform is a product of Intel Corporation. Intel Evo Platform is a trademark or registered trademark of Intel Corporation. *Display size is measured diagonally, actual viewable area is less due to rounded corners and the camera hole. ^Typical value tested under third party laboratory conditions. Actual Battery life may vary depending on network environment, usage patterns and other factors. The battery samples are tested under IEC 61960 standard. Rated minimum capacity is 59.0 Wh.

1 2-in-1 Creativity with AMOLED brilliance

The stylish 2-in-1 features the brilliant and immersive performance of an AMOLED display with 120% colour Volume (DCI-P3).

2 Multiple port options

Transfer seamlessly with an effortless connection and get things done with ample port options.

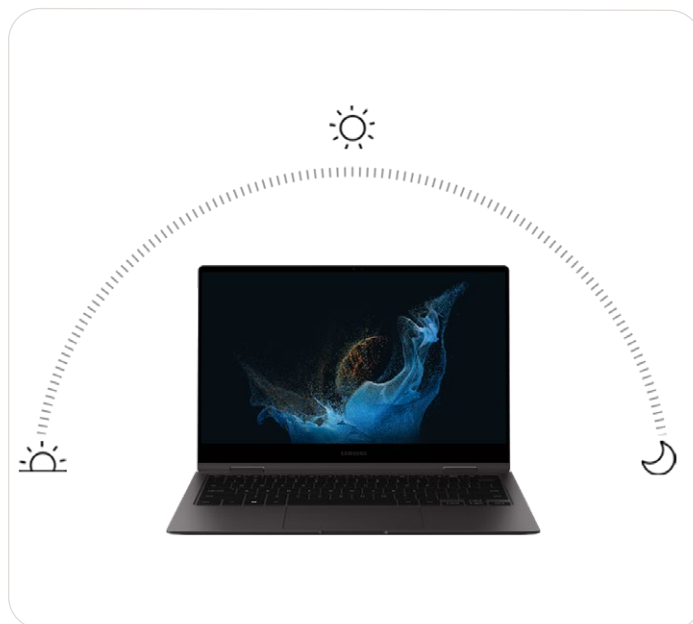

3 Hi-res video

Look and sound best with Studio mode and Intelligent Noise Cancelling.

4 Compact & powerful Battery

Enjoy a viewing experience that goes on and on with a 61Wh capacity battery#.

5 Epic Performance - Intel® Evo™ Platform

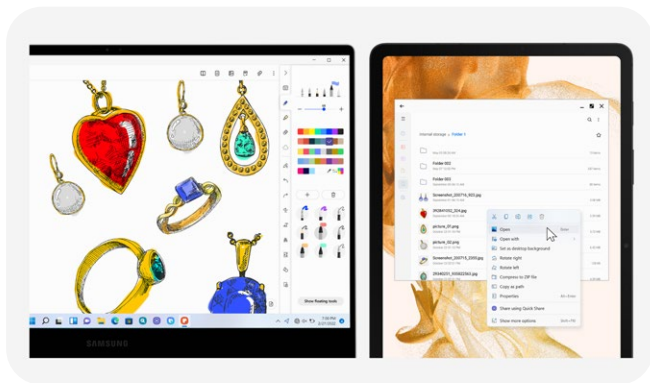

The 12th Gen Intel® Core™ processor* delivers a blazing fast performance boasting Wi-Fi 6E^ for super-fast data speeds.

6 Seamless Galaxy ecosystem experience

Let your Galaxy devices work together effortlessly and sync perfectly with your on-the-move lifestyle*.

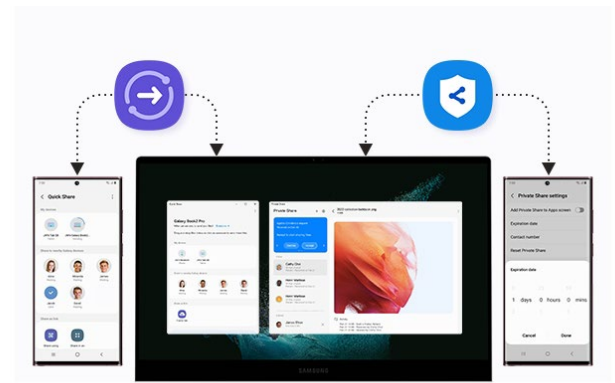

Multiply productivity with double screen

Duplicate or extend instantly by connecting your Galaxy Book2 360 with a Galaxy Tab wirelessly to add a second screen^.

Share seamlessly¹

The Quick Share feature conveniently sends files wirelessly across Samsung Galaxy devices. Private Share allows to encrypt files using blockchain technology.

What's on your phone, now on your PC

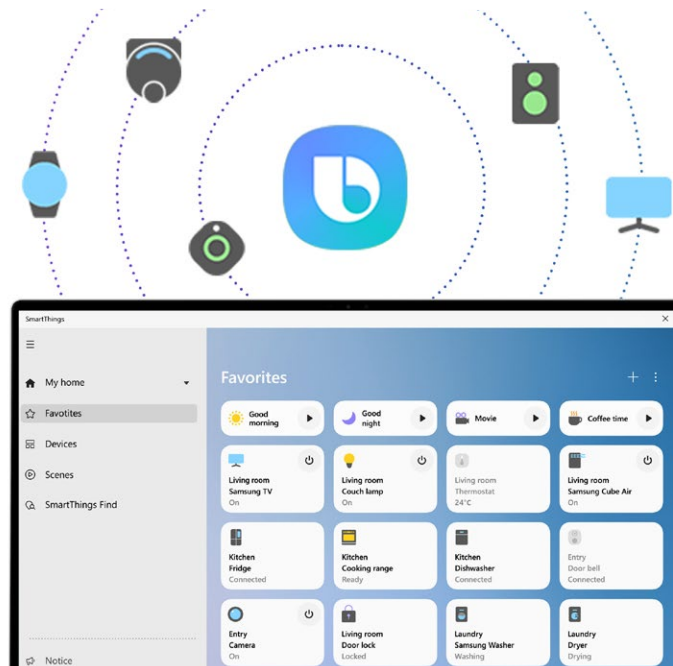

Enable your mobile apps to Galaxy Book2 360 with Link to Windows#. Enjoy a seamless inter-device experience for ultimate convenience.

Images simulated. *Galaxy Tab S8, Galaxy S22 Ultra, Galaxy Watch4, Galaxy Buds2 and S Pen shown are sold separately. ^Second screen is available on selected Galaxy Tablet models only, including Galaxy Tab S7, S7+, S7 FE, S8, S8+ and S8 Ultra. Samsung Multi Control requires updated tablets with One UI 4.1 or higher versions and works on Galaxy Book series devices released in 2021 or later with either Samsung Settings v1.5 (Intel) or Samsung Settings v3.3 (ARM). 1. Quick Share available on Galaxy device with One UI 2.1 or later versions installed, and uses Bluetooth Low Energy and Wi-Fi. # Link to Windows - Your Phone app Users must link their Samsung Galaxy device to their Windows PC through 'Link to Windows' on phone and Your Phone App on PC and follow the set-up prompts, including being signed into the same Microsoft account. Third Party Logos/ images are registered marks of respective third parties.

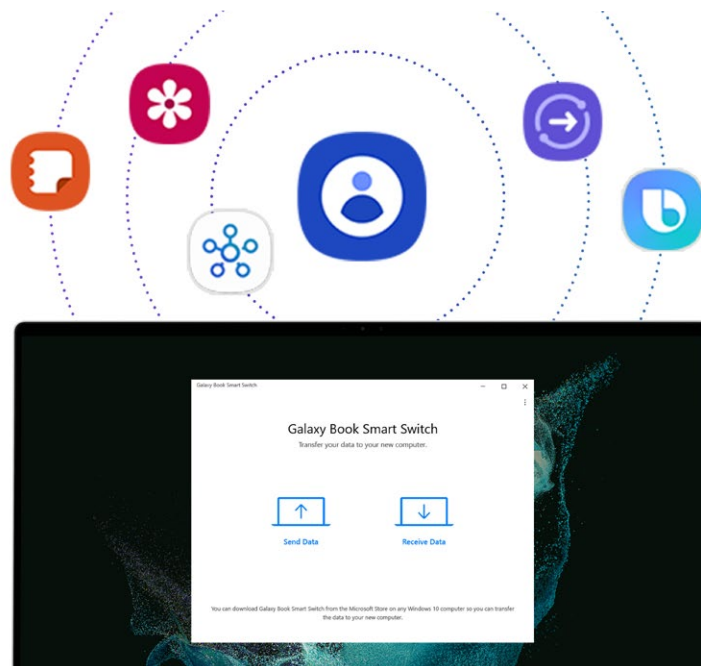

7 Bixby* and SmartThings

Use smart voice command to ask Bixby about anything you want to know. You even have an option to control SmartThings-compatible devices from your PC.

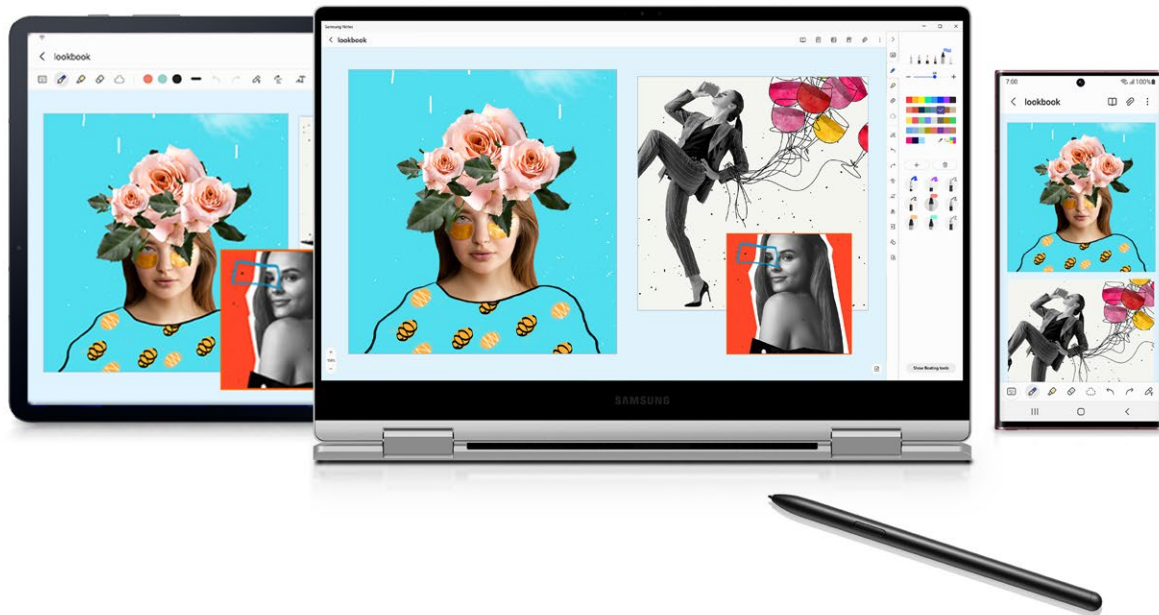

8 Smart Switch and Single Sign-On

Galaxy Book Smart Switch[^] transfers your files and settings from your old device and Single Sign-On[#] gets you into your Galaxy Ecosystem with just one log-in.

9 Samsung Notes

Enhance folder organization system as well as an audio bookmark by syncing notes with the timeline of your voice memos with Samsung Notes*.

10 Versatile Clip Studio Paint

With the natural brush feel of S Pen, create masterpieces smoothly, using a variety of artistic tools, including integrated inking and storyboarding with Clip Studio Paint^.
