1 A full PC experience, for work productivity!

Seamless work environment, from anywhere

Get work done without a PC through Microsoft Office 365 and Remote Access feature that lets you work remotely on your office desktop.

Work life made easy, without a PC

Samsung DeX allows you to access video conferencing, documents, browsers, and other mobile productivity apps through your monitor and phone, all wirelessly.

Hassle-free connectivity

Power up, transmit data, and send display signals between devices with a single USB type-C connection for a stress-free work environment.

2 Build an enhanced learning environment

Smart learning, from any place

View and edit study notes, and conveniently save them on cloud to resume learning from anywhere through Remote Access and Microsoft Office 365.

Eye Saver Mode On
with FlickerFree support

Eye Saver Mode Off
without Flicker Free support

Protect your eyes, and do more

The advanced eye comfort technology reduces eye strain, Flicker Free technology removes tiring screen-flickers, and Eye Saver Mode minimises blue light emission, for comfortable extended study sessions.

3 Gaming and entertainment, the smart way

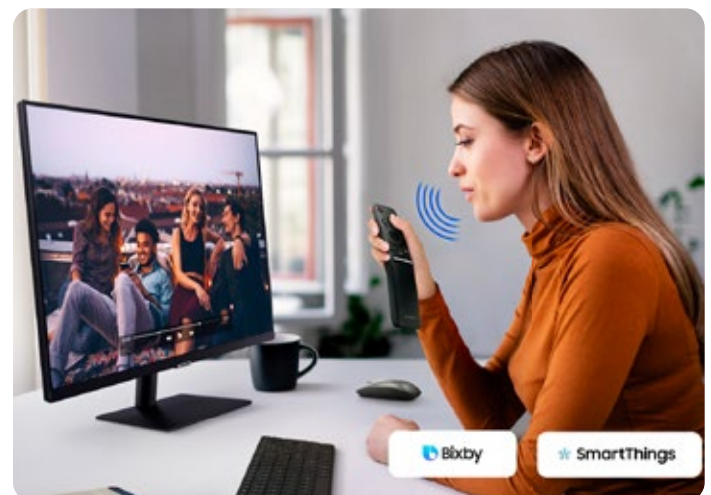

The ideal entertainment hub

Turn the Smart Monitor into an entertainment Smart Hub with quick access to apps like Netflix, YouTube, and HBO, all without connecting your laptop.

Game up with ultrawide game view

Adjust the screen to 21:9 Ultrawide Game View to reveal the game's hidden sides.

Remote controller and built-in speaker

With the remote control, switch on the monitor, turn up the volume, use OTT hot keys for streaming apps, and speak to Bixby while enjoying a full TV audio and visual experience with built-in speakers.
